

Better training. Stronger teams.

Practical, engaging training that builds knowledge, supports compliance, and helps your employees thrive.

Expert-developed courses

High-quality training on compliance, safety, leadership, soft skills, and more.

Flexible delivery

Use your LMS or ours—SCORM, AICC, and xAPI compatible for seamless integration.

Role-based learning

Targeted training for employees, supervisors, managers, and specific job roles.

Track progress & results

Monitor completion, measure engagement, and demonstrate training impact.

COMPREHENSIVE COURSE LIBRARY

800+ courses

Covering 75+ topics across compliance, safety, HR, business skills, and more.

English & Spanish

Courses available in both English and Spanish to support a diverse and distributed workforce.

Always up to date

Content is reviewed regularly to reflect the latest laws, regulations, and best practices.

Accessible anytime, anywhere

Mobile-friendly, closed captioning, and downloadable resources.

Built for real-world impact

Engaging, scenario-based learning that helps employees apply what they learn on the job.

POWERFUL LMS FUNCTIONALITY

User management

Easily add users, organize by groups, and assign roles and permissions.

Course assignment

Assign training by individual, group, job role, location, or department.

Learning paths

Create structured learning paths to guide employees through required and recommended training.

ILT management

Schedule instructor-led training, manage sessions, and track attendance.

Reporting & analytics

Real-time reports on completions, progress, scores, and certificates to support audits and measure ROI.

Notifications & reminders

Automated emails and in-app notifications keep learners on track and training up to date.

Certificates & completions

Certificates issued automatically with customizable expiration and renewal tracking.
