

# Revolutionize your safety and environmental plans

## With Plan Builder by EHS Hero®

EHS Hero's Plan Builder tool provides premade templates that can be used to quickly and easily create safety and environmental plans that meet regulatory requirements and the specific needs of your organization.

With the Plan Builder, you can create users and approvers of plans to get fast feedback and approvals from internal stakeholders. Plus, with EHS Hero's user-friendly interface, the tool is easy to adopt and use for even your most seasoned employees.

### Key features:

- ▶ Expert-crafted plan templates with real-time updates
- ▶ Custom formatting
- ▶ Multi-site and state-specific plans
- ▶ Easy collaboration with internal stakeholders

### Benefits of the Plan Builder tool:

- ▶ Enhance workplace safety
- ▶ Increase efficiency and productivity
- ▶ Ensure compliance
- ▶ Mitigate workplace hazards
